§ 301.12 Submittal of State plan for Governor's review.

The State plan must be submitted to the State Governor for his review and comments, and the State plan must provide that the Governor will be given opportunity to review State plan amendments and long-range program planning projections or other periodic reports thereon. This requirement does not apply to periodic statistical or budget and other fiscal reports. Under this requirement, the Office of the Governor will be afforded a specified period in which to review the material. Any comments made will be transmitted to the Office with the documents.

§ 301.13 Approval of State plans and amendments.

The State plan consists of written documents furnished by the State to cover its Child Support Enforcement program under title IV-D of the Act. After approval of the original plan by the Office, all relevant changes, required by new statutes, rules, regulations, interpretations, and court decisions, are required to be submitted currently so that the Office may determine whether the plan continues to meet Federal requirements and policies.

(a) *Submittal.* State plans and revisions of the plans are submitted first to the State governor or his designee for review in accordance with § 301.12, and then to the regional office. The States are encouraged to obtain consultation of the regional staff when a plan is in process of preparation or revision.

(b) *Review.* The Office of Child Support Enforcement in the regional offices is responsible for review of State plans and amendments. It also initiates discussion with the IV-D agency on clarification of significant aspects of

the plan which come to its attention in the course of this review. State plan material on which the regional staff has questions concerning the application of Federal policy is referred with recommendations as required to the Office of Child Support Enforcement in the central office for technical assistance. Comments and suggestions, including those of consultants in specified areas, may be prepared by the central office for use by the regional staff in negotiations with the IV-D agency.

(c) *Action.* The Regional Office exercises delegated authority to take affirmative action on the State plan and amendments thereto on the basis of policy statements or precedents previously approved by the Director. The Director retains authority for determining that proposed plan material is not approvable, or that a previously approved plan no longer meets the requirements for approval, except that a final determination of disapproval may not be made without prior consultation and discussion by the Director with the Secretary. The Regional Office or the Director formally notifies the IV-D agency of the actions taken on the State plan or revisions thereto.

(d) *Basis for approval.* Determinations as to whether the State plan (including plan amendments and administrative practice under the plan) originally meets or continues to meet the requirements for approval are based on relevant Federal statutes and regulations. Guidelines are furnished to assist in the interpretation of the regulations.

(e) *Prompt approval of the State plan.* The determination as to whether the State plan submitted for approval conforms to the requirements for approval under the Act and regulations issued pursuant thereto shall be made promptly and not later than the 90th day following the date on which the plan submittal is received in the regional office, unless the Regional Office has secured from the IV-D agency a written agreement to extend that period.

(f) *Prompt approval of plan amendments.* Any amendment of an approved State plan may, at the option of the State, be considered as a submission of a new State plan. If the State requests

that such amendments be so considered, the determination as to its conformity with the requirements for approval shall be made promptly and not later than the 90th day following the date on which such a request is received in the Regional Office with respect to an amendment that has been received in such office, unless the Regional Commissioner has secured from the State agency a written agreement to extend that period.

(g) *Effective date.* The effective date of a new plan may not be earlier than the first day of the calendar quarter in which an approvable plan is submitted.

§ 301.14 Administrative review of certain administrative decisions.

Any State dissatisfied with a determination of the Director pursuant to § 301.13 (e) or (f) with respect to any plan or amendment may, within 60 days after the date of receipt of notification of such determination, file a petition with the Regional Office asking the Director for reconsideration of the issue of whether such plan or amendment conforms to the requirements for approval under the Act and pertinent Federal requirements. Within 30 days after receipt of such a petition, the Director shall notify the State of the time and place at which the hearing for the purpose of reconsidering such issue will be held. Such hearing shall be held not less than 30 days nor more than 60 days after the date notice of such hearing is furnished to the State, unless the Director and the State agree in writing on another time. The hearing procedures contained in 45 CFR part 213 applicable to § 201.4 of this title shall apply to reconsiderations brought under this section. A determination affirming, modifying, or reversing the Director's original decision will be made within 60 days of the conclusion of the hearing. Action pursuant to an initial determination by the Director described in such § 301.1 (e) or (f) that a plan or amendment is not approvable shall not be stayed pending the reconsideration, but in the event that the Director subsequently determines that

his original decision was incorrect he shall certify restitution forthwith in a lump sum of any funds incorrectly withheld or otherwise denied.

§ 301.15 Grants.

To States with approved plans, a grant is made each quarter for expenditures under the plan for the administration of the Child Support Enforcement program. The determination as to the amount of a grant to be made to a State is based upon documents submitted by the IV-D agency containing information required under the Act and such other pertinent facts as may be found necessary.

(a) *Form and manner of submittal—*

(1) *Time and place.* An estimate for a grant for each quarterly period must be forwarded to the Regional Office 45 days prior to the period of the estimate. It includes a certification of State funds and a justification statement in support of the estimate. A statement of quarterly expenditures and any necessary supporting schedules must be forwarded to the Department of Health and Human Services, Administration for Children and Families, Office of Program Support, Division of Formula, Entitlement and Block Grants, 370 L'Enfant Promenade, S.W., Washington, DC 20447, not later than 30 days after the end of the quarter.

(2) *Description of forms.* "State Agency Expenditure Projection—Quarterly Projection by Program" represents the IV-D agency's estimate of the total amount and the Federal share of expenditures for the administration of the title IV-D program for the quarter. From this estimate the State and Federal shares of the total expenditures are computed. The State's computed share of total estimated expenditures is the amount of State and local funds necessary for the quarter. The Federal share is the basis for the funds to be advanced for the quarter. The agency must also certify, on this form or otherwise, the amount of State funds (exclusive of any balance of advances received from the Federal Government) actually on hand and available for expenditure; this certification must be signed by the executive officer of the IV-D agency submitting the estimate
